

STEP UP—Careers in Physics

Task 4 (Teacher Hat): Teacher Reflection

Answer the following in your break-out groups.

1. In what way might you implement all or some of this lesson's tasks into your classroom?
2. At what point in the school year do you think this lesson works best?
3. Will you implement the entire lesson in one day, or will you divide the tasks over multiple days?
4. How might you overcome challenges in implementing this lesson with your students?
