

Histograms in Class

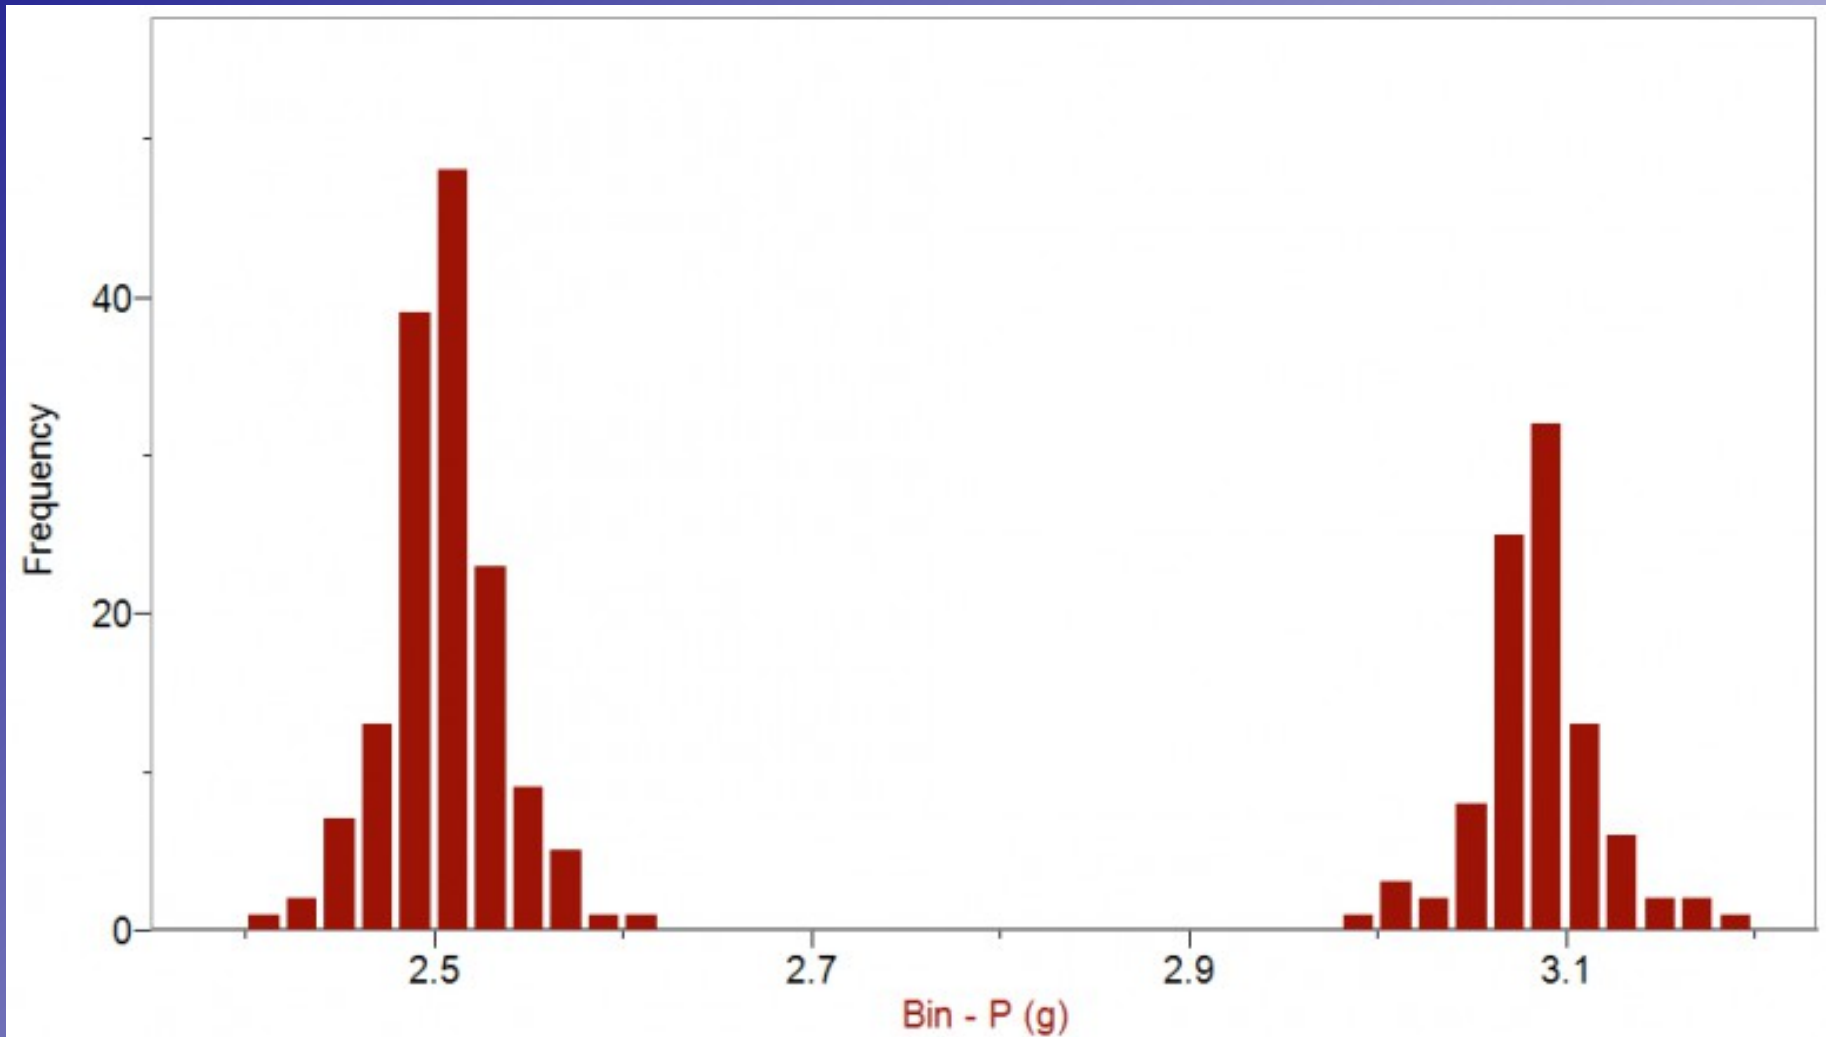

Basketball scores: point differentials over 12 years of NBA

US Congressional districts since 2013
 Source: <http://nationalatlas.gov>, 1 Million Scale project.

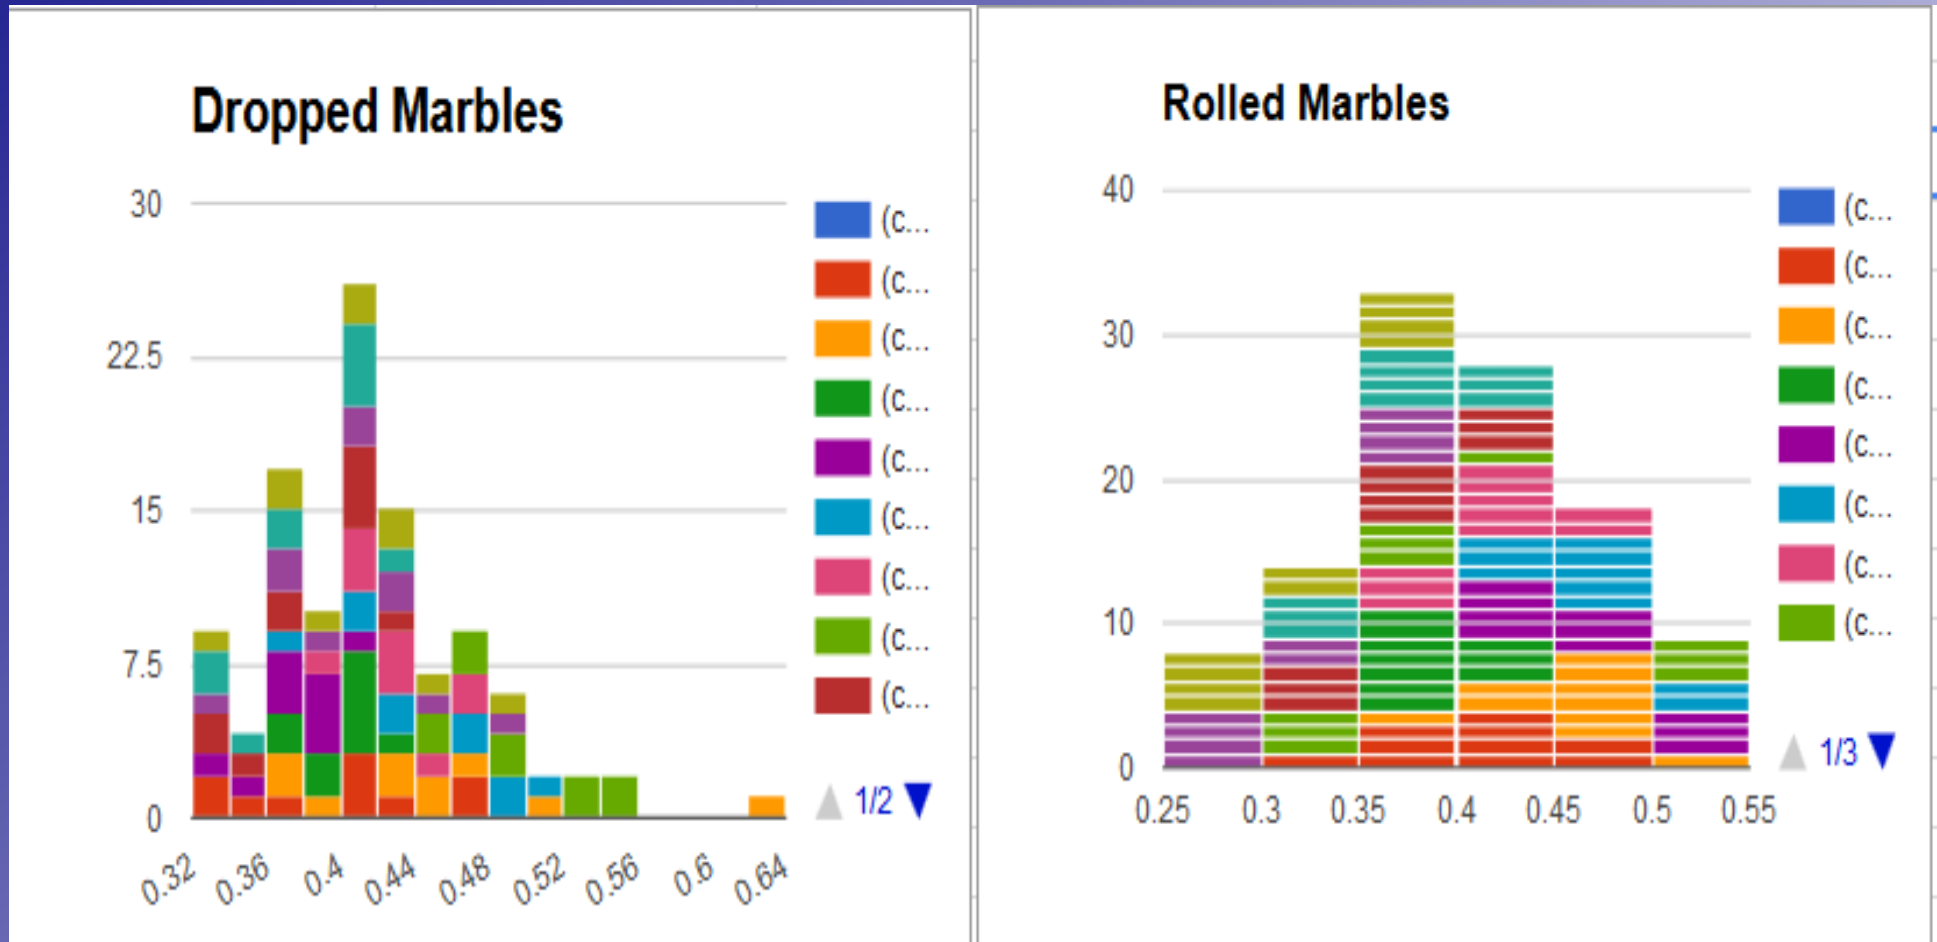

9th Grade (biology):

“Tell us something about pennies using a graph (or histogram).”

11th Grade Physics:

“Which takes more time to fall: a dropped marble or a rolled marble?”

12th Grade Physics: “How does marble ramp acceleration vary with $g \cdot \sin \theta$?”
