Extra! W2D2 Memo 3.5 05 November 2026

Hello again W2D2 participants,

If this W2D2 Memo of 2026 has come by direct email then please take this as confirmation of your registration. If you are new to W2D2, you might want to take a look at our previous Memos (0, 1, 2, and 3) on the W2D2 website near the bottom of the Home page under "Messages for group leaders…".

Our moderators are in Cc – moderators, this is for you as well.

So, why this Extra Memo now?

- **The draft W2D2 Schedule of Videoconferences is now available**. Go to https://cern.ch/w2d2 and find that the rightmost button, marked **Videocons**. Choose that button and you will find a schedule in the large embedded table. **This schedule is our first draft, so it is important for teachers and moderators to find your videoconference slot(s) to check that it all works for you. Write to Ken as soon as possible if:**
    - Some locations appear more than once, for example, Cremona 1 and Cremona 2. Please send Ken your name, your preferred time, and the name of your school. (We can use the school name to distinguish different masterclasses in the same city.)
    - If your masterclass city does not appear.
    - If we got the time of your videoconference wrong.
    - Moderators, if we put you in a difficult time slot.

Reminders:

- The Zoom channel for the videoconferences is at https://cern.ch/w2d2vc. It is also found on the W2D2 Indico page at https://indico.cern.ch/event/1478961/ along with the invite. **Please do not share this Zoom channel with anyone who does not absolutely need it.**
- Our **Q&A sessions are today, Thursday 5 November, at 08:00 UTC, 15:00 UTC, and 22:00 UTC**. (To convert to your time zone, try this Time Zone Converter.) We will use the same Zoom link as we will use on 10 November – see directly above.

Do you have questions? Concerns? Something to say? Please contact us.

There will still be a final Memo tomorrow, Friday 6 November with last-minute news.

All the best,

Ken and Shane
